## 2nd Annual Steve Westhoff Ride August 25

Photos submitted  
by Nikki Eisma.

A great day of remembrance for Steve Westhoff was enjoyed by everyone on August 25th. There were definitely more bikes, cars and people than last year. We arrived at four different stops this year where it was nice to mingle and reminisce about Steve's love for the road. I have to say his family was quite overwhelmed with the response of everyone who joined this year. Scott Eastman won the 50-50 raffle—thanks to him for donating a portion of his winnings back so that \$680 was raised to go toward the Craig ballpark that Steve had much love for. Rick Westhoff will determine how the monies will be distributed

there. We held a balloon send-off this year and anyone could write a message on a balloon for Steve. We all hollered out, "Let's roll," and the balloons were released. (That was something Steve always said to his sister Cindy Klemme when they rode together.) Delores Westhoff had a very nice message for all the guests. Her family was very thankful for all the love and support. Thanks again to all his family, friends and Andrea's team at the Corner Cafe for putting on another great event this year. Till next year, Steve..... "May you never ride alone." Submitted by Nikki Eisma.

## **Travels**

Karen Harrington feeds a calf.

The Osterbuhrs and Harringtons in Falls Park, Sioux Falls.

**Vernon and Karen Harrington and Bill and Rosanne Osterbuhr** recently went on a bus tour and visited the Stensland Dairy at Larchwood, where robots do a big share of the work in the dairy barn including milking the cows. The visit started with orientation, followed with a tour of the entire process from farm to store located on the dairy. The tour ended with sampling an assortment of cheese curds, chocolate and white milk, and ice cream in a choice of numerous flavors. YUMMY.

A barn was filled with baby calves and Karen couldn't resist feeding one even though it was not feeding time! The rest of the day was spent touring Good Earth State Park and Falls Park, and a getting a trolley ride downtown Sioux Falls with a historical explanation of the area. Then the day ended with a stop at the Stensland Store in Sioux Falls for more ice cream before coming home! It was a very educational experience and beautiful weather added to the enjoyment. Submitted by Bill and Rosanne Osterbuhr.

The Legion recently received a defibrillator they purchased. It is their hope it will be available in case of an emergency such as someone suffering from a heart attack. Several people have access to the Legion and they hope it will be available not only during Legion events, but whenever there is a crisis in town. A training session is being planned soon and more information will be available for those interested in learning how to use it.

### Quote 'Ems

A Sunday school teacher was describing to the class how Lot's wife looked back and suddenly turned into a pillar of salt.

"My mother looked back once while she was driving," one boy said, "and she turned into a telephone pole."

Lonesome Jack says...

They told me to go fly a kite—so I did.
